In order to process your application, we will supply your personal information to credit reference agencies (CRA's) and they will give us information about your financial history. We do this to assess credit worthiness and product suitability, check your identity, manage your account, trace and recover debts and prevent criminal activity. We will also continue to exchange information about you with CRA's on an ongoing basis, including about your settled accounts and any debts not fully repaid on time. CRA's will share your information with other organisations. The identity of the CRA's and the ways in which they use and share personal information are explained in more detail at <http://www.experian.co.uk/crain/index.html>
